Allora Grain & Milling Quality Australian Manufactured Stock feeds, Seeds and Grains.

General Overview.

Allora Grain & Milling provide a quality 100% Australian manufactured range of stock feeds, Seeds and grains for both wholesale and retail customers Australia wide.

From our main mill located in Allora Queensland we purchase, mill and mix our own product range, which we then distribute to our stockists and our retail outlet.

We also stock and provide a wide range of third party specialised products ranging from shell grits to meals.

Our management team has over 35 years of experience in the grain and milling industry. This experience gives our team the knowledge to provide the best all round customer service and value for money.

Our Locations.

Our Main Mill is located approximately 7km from the Allora township in the Darling Downs region of Queensland.
